**Warm reminders :**

- In order to avoid the risk of crowds gathering at the same time on the day of photo taking, **except for parents whose children study in Nursery Class(K1) and newcomers in the next school year**, they can accompany their children into the school. Others need to wait outside the main entrance while waiting. With the help of our staff, children may leave upon completion.
- Before entering our campus, all students or parents must present the proof of having received two doses of COVID-19 vaccine, scan the QR code of “LeaveHomeSafe” displayed, pass the temperature check and use alcohol-based hand sanitizer to rub hands.
- Children should wear their pink, striped summer school uniform on that day and come to school during the designated photo-taking timeslot.
