2022/23 School Year Notice about

Reservation of Student Offer

17th May, 2022

Dear Parents,

We would like to thank all of you for your unlimited support and encouragement to our school in the past year. Even under the influence of serious epidemic, you still care about the health and safety of our children and teaching staff, then try your best to cooperate with us in online and offline" teaching activities for children. We are grateful that all children have resumed classes this month and the campus has become lively again. Our teachers cherish the precious opportunities to have face-to-face classes with children, so they will do their best in teaching and guide them to study hard in return for the love to our school as well as parents' expectations.

As time flies, your children will be promoted in mid-August this year. In order to prepare the textbooks and teaching materials required for your children possibly and arrange enough teaching staff to take care of children, the preparation work for the new school year is now in progress. Please kindly be reminded to fill in the attached parental reply slip and return it to the class teacher on or before 20/5(Friday). The purchase of books and stationery for the new school year will be arranged in early June. We will notify you the details later.

Where there is epidemic, there is love. As representative of teaching staff, we appreciate that all of you accompany us and support each other in the difficult times. As promised, we would do our best to love, care and nurture your children to become talents in the future. Hereby, we hope all of you continue to support our teaching team, who are full of educational philosophy, love of life and willing to dedicate love, patience and profession to children. At the same time, please be recommended the services of our school to relatives, friends and neighbors, so that more children can gain quality early childhood education. Thank you for your attention!

Wish you good health and happy life!

Yours faithfully,

Ms. Connie Mak

Principal
