**Hands Holding Hands ~ Parent Mentoring Scheme**

10<sup>th</sup> June, 2022

Dear Parents,

Promoting parent-collaboration and training outstanding parents have been one of parental work that our school focuses on every year. The parent training courses or workshops held by our school or co-organized with other institutions in the past have been enthusiastically supported by all of you. According to organizers that hosted or co-organized the past events, the parents of our school not only actively participated in the activities, but also were willing and confident to share their own experiences with others. They had serious learning attitude and the class atmosphere was good, reflecting the high quality of our parents. Many institutions would continue to cooperate with us as well. We are honored and encouraged by the appreciation of those institutions. Once again, thank you to all of you for establishing a positive image for our school.

The work of parents is still going on this school year. Attached is a promotional leaflet of “Hands Holding Hands ~ Parent Mentoring Scheme” held by Christian Family Service Centre.
