Gifts on Dragon Boat Festival

2nd June, 2022

Dear Parents,

Tomorrow is the Dragon Boat Festival on the 5th day of the fifth month in Chinese lunar calendar. Our school would specially give a vegetarian rice dumpling wrapped by our school workers for children to take home and share with their families. The ingredients include glutinous rice, red beans, mung beans, salted egg yolk and mushrooms. The seasonings are oil, salt and five-spice powder. The vegetarian rice dumpling is full of color, flavor and health.

Today, our school workers have already cooked all vegetarian rice dumplings. Teachers have instructed every child to put it in a plastic bag to ensure that it is hygienic when taking back home. However, due to the hot weather, the food is easy to get deteriorated. It is recommended to share with your children as soon as possible. Before eating, you should reheat the vegetarian rice dumpling, which taste more delicious and safer. “After eating rice dumplings in Dragon Boat Festival, all families are happier.” Although a vegetarian rice dumpling is small in size, it is full of festive blessing from our school. This is a gift specially for you. Hope all of you will like it!

Wish you happy Dragon Boat Festival!
