## Arrangement for Influenza Vaccination in 2022/23 School Year

20<sup>th</sup> October, 2022

Dear Parents,

Our school has participated in the “2022/23 Seasonal Influenza Vaccination School Outreach (Free of Charge) Programme” by the Department of Health this school year. We have booked Healthkit Medical Centre to arrange for medical staff to come to the school in the morning on 29<sup>th</sup> October, 2022(Sat) to inject the first flu shot for children who have signed up for the Influenza Vaccination Programme. Please read the following items in details and make cooperation.

1. All students and parents who enter the campus on that day should go through the main entrance. Each person must submit a photo of (with negative result) Rapid Antigen Test to the teaching staff outside the main entrance, conduct the temperature test and disinfect their hands with alcohol-based hand sanitizer before entering.
2. Please accompany your child to our school 5 minutes in advance according to the respective vaccination timeslot (shown in the table below). After completing the testing procedure, please follow the teaching staff to the designated classroom for a while. During this period, please do not walk around and do not touch toys or books in class.
3. Please pay attention to the temperature on that day to ensure that your child wear clothes that are warm enough. To make it easier for medical staff to vaccinate your child's arm, please help your child to wear casual clothes that are easy to remove.
4. After your child is vaccinated, you may leave with your child through the side door.
5. If your child is temporarily unable to attend on that day, please contact the staff of General Office at 2345 1222 soon to for follow-up. Thank you for your attention!

### Influenza Vaccination Timetable for Children in Each Class

Class	No. of Participants	Timeslot (AM)
Half-day K3A Whole-day K3C	16	9 : 00 – 9 : 25
Whole-day K3A	13	9 : 25 – 9 : 45
Whole-day K3B	13	9 : 45 – 10 : 00
Whole-day K2A	14	10 : 10 – 10 : 30
Whole-day K2B	13	10 : 30 – 10 : 50
Half-day K2A Whole-day K2C	12	10 : 50 – 11 : 10
Half-day K1A Whole-day K1A	9	11 : 15 – 11 : 30
Whole-day K1B	15	11 : 30 – 11 : 45

**Remarks:** Those children who do not participate in Influenza Vaccination Programme, do not need to go back to school on that day. On-site registration is no accepted and provided by Healthkit Medical Centre.

Yours faithfully,  
General Office
