2022/23 School Year First Term

Information of Healthy Campus (7)

21st October, 2022

Dear Parents,

Since a K1 teacher in our school was diagnosed with COVID-19, she asked for leave to rest at home from 17/10(Mon) and we have also issued an announcement to notify all parents of that class. Another case, a K3 teacher who lived with her family member was diagnosed last night on 20/10(Thu). That teacher is a close contact so she needs to be quarantined at home from now on and will not return to school for the time being. Besides, another K3 teacher have symptoms such as sore throat, runny nose and body weakness today on 21/10(Fri). Her Rapid Antigen Test result was negative these days but she still needs to seek medical attention and rests at home.

In view of the safety situation, **the “School Open Day” originally scheduled to be held this afternoon has now been cancelled. As for the "School Open Day" to be held tomorrow, there will be no performances by parents and children, who have signed up to attend do not need to go back to school to reduce the risk of crowd gatherings.** We are sorry for any inconvenience caused. Thank you for your attention!

Yours faithfully,

General Office
