2022/23 School Year “One Person, One Flower Scheme”

School Greening Campaign

15th November, 2022

Dear Parents,

The 2022/23 School Year “One Person, One Flower Scheme” School Greening Campaign is launched by Leisure and Cultural Services Department (LCSD). The theme flower for this school year is Begonia cucullata (Perpetual Begonia). On 11/11(Fri), we received the flower seedlings sent by the LCSD and allow your children to take home for planting after school together with a small flower pot provided by our school on 15/11(Tue).

Please help and guide your children to take good care of flower seedling, give appropriate water irrigation according to its growth needs, allow it to have opportunity to get sunlight and show patience for it to grow healthily.

If you want to learn more about how to plant Perpetual Begonia, you can login to the following website with your children or scan the QR code on the right side to watch the demonstration video for reference:

<https://www.youtube.com/watch?v=gMCU8Bxu6jU>

We sincerely hope that under the good care of you and your children, each seedling of Perpetual Begonia will grow vigorously and bloom beautifully. Your children are welcome to bring it back to school for everyone to appreciate as well. Thank you for your support of “One Person, One Flower Scheme” School Greening Campaign.

Yours faithfully,

General Office
