Reservation of Student Offer in 2023/24 School Year

5thMay, 2023

Dear Parents,

Firstly, we would like to express our heartfelt gratitude for your unwavering support and encouragement over the past year. Our teachers have been working tirelessly to provide the best education for all the children in our kindergarten, cultivating a love for learning and helping them grow up healthy and happy, preparing them to move on to primary school. We deeply appreciate your trust and support for our kindergarten.

Now, it's time to prepare for the new academic year. To ensure the students' learning and well-being, we have started the process of reserving places for the new academic year. If your child is already studying at our kindergarten, please fill out the attached form for returning students for the 2023/24 academic year and submit it to your child's class teacher by May 15th.

As for the cost of textbooks, stationery, and other fees for the new academic year, we are still waiting for quotes from various publishers and suppliers. We will notify you of the costs and payment arrangements as soon as possible, most likely in early June.

We once again would like to express our gratitude for your support and trust and assure you that our kindergarten will continue to do our best to provide the best education and services for our students. If you think our kindergarten is worth recommending, please kindly let your relatives, friends, and neighbors know so that more children can benefit from our high-quality education and services.

Thank you once again for your support and trust.

Yours faithfully,

General Office
