Notice on Parents' Day in the First Semester of 2024/25 Academic Year

Dear parents:

Hello everyone! Our kindergarten will hold the first time of parents' day at 3:30-5:30 pm on 1/11 (Friday) for K1 class and 9:00-1:00 am on 2/11 (Saturday) for parents for K2 and K3 classes. We sincerely invite you to visit the school to meet with the class teacher to understand your children's academic performance and development at school. We also invite your parents to tell us briefly about the small missions finished in home and holiday activity experiences as well as the child's ability and learning attitude when completing homework daily, so that both the family and school can understand your child's learning and development needs, to attain better communication by sharing experiences in cultivating your child to become an outstanding student, and help your child moving forward in the future development. To allow the K1 parents meeting the teachers without worries, the K1 class (whole day session) on 1/11 (Friday) will be temporarily supported by Teacher Luo, Teacher Cheung and the school staff after 3:30 pm until the meeting between parents and teachers is over.

Attached is the "Teacher Day" class teacher's appointment time for the meeting. Parents are kindly requested to arrive at school 5 minutes before the time. Please present the student ID card to the staff to confirm parent identity for public safety.

If parents are unable to arrive at the school at the time scheduled by the teacher for some reason, they can further negotiate with the teacher on the date or way of the meeting, such as using video or telephone.

If parents have any questions about the above arrangements, please contact the school office staff or the class teacher of your children at 2345 1222 during office hours. Finally, thank you for your support and cooperation in the Parents Day.

Yours faithfully,
School Affairs Office
