2025-2026 Academic Year, First Semester: Positive Character Education Campus Launch Ceremony

Dear Parents,

Hello everyone! Our school is honored to have been invited to participate in the "Live Local+" initiative, becoming one of the first 50 schools in Hong Kong to participate this academic year. The "Live Local+" initiative is a joint effort by Cyberport, Negawatt Zero2, and Our Hong Kong Foundation, and is supported by the Family and School Partnership Committee, the Hong Kong School Board Association, the United Nations Global Leadership and ESG Programme, and the Hong Kong Federation of Parent-Teacher Associations (PTAs) of all 18 districts. This data-driven initiative integrates positive education and sustainable development principles to provide comprehensive physical and mental well-being support for children, parents, and educators, helping schools achieve a digital transformation towards positive education.

"Currently, positive education and its impact are generally difficult to quantify and record effectively. The 'Live Local+' program, through the ZERO2 app, helps children, teachers, and parents digitize positive education and ESG behaviors. Through diverse activities and tasks, it allows everyone to easily record and quantify the positive value and actual positive impact of ESG both inside and outside of school, helping children and parents realize their learning outcomes, while also helping schools establish and digitize their ESG and positive education retrospectives. The core concept of 'Live Local+' is to create well-being, social value, and physical and mental health, achieving sustainable development and promoting positive education through a systematic, inclusive, and participatory approach."

The 'Live Local+' program specialist will be present on Friday, August 29, 2025, from 3:45

PM to 5:30 PM. We are pleased to announce the "Positive Character Campus Launch Ceremony" for our kindergarten. The event includes an ESG Positive Character Parent Workshop and a clothing recycling activity. Parents are welcome to attend the workshop in person at 3:45 PM or participate via video. The clothing recycling activity will take place from 4:30 PM to 5:30 PM. Enclosed is a brief introduction to the "Live Local+" parent workshop in electronic format. Please review the information and register your child's class teacher by August 27th (Wednesday). Our kindergarten aims to promote the digitalization of personal character development and well-being through collaborative parent-teacher communication, practicing positive education and sustainable development. If you have any questions about this event, please contact your child's class teacher directly or call 2345-1222 to speak with the school administration staff. Thank you for your attention and support.

Yours faithfully,

School Affairs Office
