K3 Visit Sam Tung Uk Museum

活動目標

- Discover Hong Kong's Intangible Cultural Heritage - Sam Tung Uk
- Through observation and hands-on experience, one can understand the characteristics of Chinese architectural art.
- Cultivating children's interest in Hong Kong's intangible cultural heritage and folk crafts

活動簡介

K3 children of Shan Yat Tong On Yi Kindergarten visited the Sam Tung Uk Museum in Tsuen Wan. The activity consisted of a workshop and a tour. Through the visit to Sam Tung Uk, the children gained a deeper understanding of Hong Kong's intangible cultural heritage, such as the Kylin dance and Tin Hau Festival, among other local folk crafts. With engaging and lively explanations from professional guides, the children learned about the unique meaning and stories behind each tradition. In the workshop, the children made various dim sum dishes with clay, learning about Chinese food culture. Through this activity, the children not only encountered local culture in a relaxed and enjoyable atmosphere but also cultivated a strong interest in Hong Kong's intangible cultural heritage through interactive experiences, demonstrating their enthusiasm for active exploration and learning.
