活動名稱

K3 Visit Association of Hong Kong Flag-guards "Experiencing Replicas of Antiques to Learn About Chinese History" activity

活動目標

- Learned the basic knowledge of Chinese history and culture
- To learn about and appreciate ancient Chinese artifacts and understand contemporary development, children will gain a basic understanding of their country's history and culture.
- Cultivating correct values and attitudes in young children

活動簡介

Chinese culture has a long history and contains a wealth of excellent traditions. On the day of the visit, in addition to professional guides leading the children to visit the "Simulated National History Museum" and explaining Chinese historical stories to them, the children also participated in fun interactive games to learn about and appreciate ancient Chinese artifacts and understand contemporary developments. This enhanced the children's initial understanding of the history and culture of their motherland and guided them to practice traditional Chinese virtues in their daily lives.
