Explore nature Second semester – a trip to Victoria Peak, Hong Kong

活動目標

- Learn the names of famous tourist attractions on Victoria Peak that are symbols and landmarks of Hong Kong, such as The Peak Tower.
- They can cooperate with their partners to create different English letter shapes using body movements.
- Enjoy the views of Victoria Harbour and Kowloon along the way.

活動簡介

Victoria Peak, also known as The Peak or simply "The Peak," is a popular hiking trail for children. Starting with the Lush Peak Nature Trail, participants can stroll along the mountainside, enjoying the towering trees, birdsong, and fragrant flowers, while taking in panoramic views of Victoria Harbour. During breaks, children can enjoy their own lunch and participate in a fun off-road game designed by the instructors, capturing memorable moments at various scenic spots.
