### 活動名稱

K3 Visit Sam Tung Uk Museum

### 活動目標

- Learn about Hong Kong's intangible cultural heritage
- Able to use their senses to explore different exhibits within the exhibition hall
- To cultivate young children's interest in Hong Kong's intangible cultural heritage and to cherish it.

### 活動簡介

Sam Tung Uk is a Hakka walled village with over 200 years of history. It was listed as a statutory monument in 1981 and renovated into the Sam Tung Uk Museum in 1987, officially opening to the public. Upon arrival at the museum, children will be divided into small groups to explore different exhibition halls. Through exhibitions, lectures, seminars, demonstrations by inheritors, and workshops, children will gain a better understanding and interest in Hong Kong's intangible cultural heritage. Worksheets will be provided for children's use.
