活動簡介

To celebrate the 74th anniversary of the founding of the People's Republic of China and the Mid-Autumn Festival, our kindergarten has specially designed the "Enjoying the Splendor of Chinese Culture Together – A Joyful Day for Parents and Children to Celebrate National Day and Mid-Autumn Festival" event, which will be held at the school on September 28, 2023 (Thursday) from 1:15 PM to 8:45 PM.

The program will include the presentation of academic awards to kindergarten and lower-grade students (currently enrolled in lower and upper grades) for the second semester of the 2022/23 academic year, as well as awards for the 2023/24 academic year's "Mid-Autumn Festival Parent-Child Lantern Creation Competition." This will be an opportunity to recognize and encourage the winners, guiding the children to continue striving for improvement. We also thank all parents for their active participation in the "Mid-Autumn Festival Parent-Child Lantern Creation Competition," providing unique and beautiful lantern designs for everyone to admire.

In addition, it is hoped that by having parents accompany their children to participate in various booth games designed with Chinese cultural characteristics, to appreciate students' talent performances, and to participate in the Mid-Autumn Festival lantern parade in the evening, students can recognize, appreciate, and experience the magnificent Chinese cultural heritage left to us by our ancestors, cultivate their patriotism and love for their families, actively learn and participate in the work of inheriting Chinese culture, and carry it forward to benefit the next generation.
