活動名稱

Enjoy the magnificent Chinese culture together – a day of family fun for the Mid-Autumn Festival

活動目標

- Learn about Mid-Autumn Festival traditions
- Experience our magnificent Chinese cultural heritage by participating in various booth games.
- Experience traditional Chinese festival customs and feel the joyful atmosphere of the festival.

活動簡介

To celebrate the annual Mid-Autumn Festival, our kindergarten has specially arranged for parents and children to gather together and enjoy the holiday. Furthermore, we hope that by having parents accompany their children to participate in various booth games designed with Chinese cultural characteristics, enjoy student talent performances, and participate in the evening's Mid-Autumn lantern parade, they can learn about, appreciate, and experience the magnificent Chinese cultural heritage left to us by our ancestors. This will cultivate students' patriotism and love for their families, encourage them to actively learn and participate in the inheritance of Chinese culture, and ultimately promote and carry it forward for the benefit of future generations.
