### 活動簡介

Our kindergarten's teachers and students participated in the "Celebrating the 75th Anniversary of the Founding of the People's Republic of China and Golden Melody Variety Show," organized by the Si Shun Sub-District Committee of the Kwun Tong District Office. Our kindergarten performed "Golden Dragon Brings Auspiciousness and Displays Splendor," congratulating the motherland on its prosperity and peace. During the event, the children, dressed in exquisite costumes, showcased excellent stage presence and demonstrated strong teamwork. They not only learned about the essence of traditional culture but also confidently expressed their love and pride for their country on stage. This performance not only enhanced the children's performance abilities but also allowed them to experience the joy and significance of group activities in practice.
