## 活動名稱

Love My Chinese Culture Day

## 活動目標

- Learn about elements of Chinese culture, such as traditional clothing, festivals, and food.
- Through dance performances, the unique characteristics of Chinese culture can be showcased.
- Cultivating children's interest in Chinese culture

## 活動簡介

With the help of their teachers, the children learned traditional lantern-making techniques. Using colored paper, scissors, glue, and other materials, they created various lanterns by hand. This not only cultivated their handicraft skills but also helped them understand the symbolic meaning of lanterns in Chinese culture and experience the festive atmosphere. During the activity, the children experienced the charm and rhythm of Chinese culture through music and dance, and gave wonderful dance performances, showcasing their learning achievements and boosting their self-confidence.
