活動名稱

Family reunion to celebrate the New Year

活動目標

- Learn about Lunar New Year activities and foods
- It can be used to make various festive foods for the New Year, such as: radish cake, glutinous rice balls, pickled radish, etc.
- To experience the atmosphere of the Lunar New Year and enjoy spending it with teachers, relatives, and friends.

活動簡介

To celebrate the annual Lunar New Year, the school designed various activities to allow children to experience the festive atmosphere. Through these activities, children learned about Lunar New Year traditions and participated in making different festive foods, such as radish cake, jujube cakes, and glutinous rice balls. On the birthday party in January, all teachers, students, and parents gathered together to enjoy a traditional "Poon Choi" feast, happily celebrating the New Year together.
