Love My Chinese Culture Day – Celebrating the Lantern Festival with Joy

活動目標

- Learn about the traditional customs of the Lantern Festival, Chinese folk culture, and distinctive arts to deepen understanding and knowledge of Chinese culture.
- Enhance children's hands-on skills, observation, expression, and cooperation abilities.
- To cultivate children's appreciation for the beauty of traditional Chinese culture, build their cultural confidence, and foster a positive attitude of respecting tradition and loving Chinese culture.

活動簡介

This event featured a professional Sichuan Opera face-changing performance. The performers, in sync with dynamic rhythms, created a variety of brightly colored masks. There were also hands-on activities available, inviting parents and children to try on the masks and experience this traditional art form firsthand, enjoying the fun of Sichuan Opera up close. In addition, various themed stalls were set up, including those selling candied hawthorn skewers, solving riddles, making rattle drums, weaving grasshoppers, and painting masks. These activities allowed children to experience the charm of Chinese culture firsthand, enhance their understanding of traditional Chinese performing arts, and appreciate the unique charm and value of Chinese culture.
