Grade Level

**Name of Activity**

**Visiting Lai Chi Kok park**

**Objective(s)**

- Recognize the architectural features of Lingnan style
- Identify the lychee patterns on the buildings
- Cultivate an interest in Chinese culture

**Brief Descriptions:**

During the spring equinox, it is very suitable to go on an outing. The teacher took the children and parents to explore Lai Chi Kok Park, discovering the ten scenic spots of Lingnan one by one based on the clues from the treasure hunt poem. Together, they experienced the atmosphere of winter giving way to spring, listened to the melodious songs of the birds, and finally recorded the beautiful environment with their brushes, enjoying a picnic together in the spring setting.
