

Kindergarten Education Scheme
School-based Learning Activity of outdoor experiential learning
Display Form

Shin Yat Tong Yat Tung Kindergarten

Name of School

2024-2025

School Year

K3

Grade Level

Name of Activity

Visiting Brighter Smiles Playland

Objective(s)

- Understanding the correct method of tooth brushing
- - Speaking about ways to care for teeth
- - Developing the habit of brushing teeth in the morning and evening and drinking water

Brief Descriptions:

The kindergarten took the K3 children to visit the "Sunshine Smiles Playground." Through interactive games, role-playing, singing, and storytelling, they learned about oral health knowledge. The staff also explained the correct brushing methods, guidelines for choosing healthy foods, and encouraged children to have dental check-ups every year, raising awareness about protecting their teeth.
