K3

Grade Level

Name of Activity

Visiting Tuen Mun Park Reptile House

Objective(s)

- Observe the bodies, color and characteristics of insects
- Name the insect
- Know how to protect the environment and care for nature

Brief Descriptions:

Under the teaching theme, our kindergarten arranged for the children to visit Tuen Mun Park Reptile House. The children were excited to see different type of insect. They learned about the characteristics of insects, favorite foods and some interesting facts.
