

**Kindergarten Education Scheme**  
**School-based Learning Activity of outdoor experiential learning**  
**Display Form**

**Shin Yat Tong Yat Tung Kindergarten**

Name of School

**2024-2025**

School Year

**K2**

Grade Level

**Name of Activity**

**Visiting H2O PE centre**

**Objective(s)**

- Know the usage of water
- Can share the way to save water
- Cultivate water-saving living habits

**Brief Descriptions:**

The school arranged a visit to the Water Resources Education Center. Through the introduction of exhibits and interactive games, children gained a deeper understanding of water resources, learned about the “Water Efficiency Label” and knew how to choose water-saving electrical appliances. Through the exhibits and interactive games, children learned the importance of water conservation and promoted the concept of water conservation.

**Record of Activity (E.g. Children’s Work / Photos / Videos of the activity)**
