Name of Activity

Visiting Sam Tung Uk Museum

Objective(s)

- Learn about and observe the architectural features of ancient Hakka people.
- Experience the traditional Hakka rural life, life rituals, and food culture.
- Appreciate traditional Chinese culture.

Brief Descriptions:

Our kindergarten and the younger children visited the Sam Tung Uk Museum, a Hakka walled village in Hong Kong with significant historical and cultural value, and also an intangible cultural heritage. During the visit, the children observed the architectural features of the Hakka walled village and gained a basic understanding of interesting customs from the past.
