Name of School

2025-2026

School Year

K1, K2, K3

Grade Level

Name of Activity

Children's Learning Achievement Exhibition - A Winter Journey Through the Twenty-Four Solar Terms

Objective(s)

- Learn about characteristic winter activities, such as ice fishing and curling.
- Describe the characteristics of winter weather.
- Develop an awareness of weather conditions related to the 24 solar terms.

Brief Descriptions:

Our kindergarten offers a winter journey themed around the 24 solar terms, leading children to experience special winter activities such as ice fishing, curling, and foot baths. They can also make their own winter specialties and experience the joys of winter.
