Grade Level

Name of Activity

Dragon boat race

Objective(s)

- Recognize the Dragon Boat Festival as a traditional Chinese festival and its related significance
- Have a preliminary grasp of the actions involved in dragon boat rowing
- Appreciate the customs of dragon boat racing during the Dragon Boat Festival

Brief Descriptions:

The kindergarten, along with parents and children from the lower class, went to the Shatin Cheng Mun River to participate in a traditional parent-child dragon boat paddling activity. This allowed everyone to experience and learn the basic skills of dragon boat paddling. Everyone quickly grasped the paddling techniques and movements, and engaged in an exciting dragon boat racing competition. In the end, it is hoped that the children will gain a deeper understanding of Chinese traditional festivals through this experiential activity.
